## The Calafia Auditorium

The Calafia Auditorium has beautiful vistas of The San Clemente State Park, and black out shades for presentations. The décor is casual with a "tropical theme" and much San Clemente memorabilia on the walls, a medium sized stage and high ceilings create an atmosphere perfect for your next corporate function. Digital Cable Music/and Sound System, Plasma TV, Podium, tables and chairs, are all inclusive to the room rental. Adele's provides an Event Coordinator to make sure all the details are to the "T" in the Calafia Auditorium, including Audio-Visual requirements.
